## *Rainbow Auto Parts Limited*

- RAINBOW is an industrial and trading company which was set up in May 2008.
- We focuses on producing high quality auto filters, including air filters, oil filters, fuel filters, filter elements, cabin filters and fuel water separator.
- With best service and quality assurance, Rainbow establishes long and closed business relationship with clients widely from North America, Europe, South America, South Asia Middle East and Africa.

### *Our Mission:*

*Manufacture and supply high quality, cost-effective auto filters for the global market.*

Certificate

## Products Features & FAQ

### Air Filters Features:

- High airflow rate improves performance and fuel economy.
- Superior dust holding capacity increases filter life.
- Maximum efficiency reduces engine wear.

### Oil Filters Features:

- Heavy-duty steel case resists distortion
- Pre-lubricated molded o-ring provides superior sealing over generic filters
- Unique Torque Stopper design prevents leaks from under torquing.

### Customized design for inner packing:

- Generally, we pack our goods in neutral white boxes and brown cartons.
- If you have legally registered patent, we can pack the goods in your branded boxes after getting your authorization letters.
